# The Secret Diary of Hadrian Vile - Aged 7 1/2

My teacher was told to revise my notes...  
I demonstrated how the teacher's notes were  
into people's drinks...

When Miss Darts took a sip  
of her coffee, I showed her  
the "mugshot" bottle (which  
was full of cowd tea, really!)

I thought I'd give me top marks for  
originality, but she gave me 500

SCRIPT: TIM CLYNN    PENCIL: ED ALLENBY

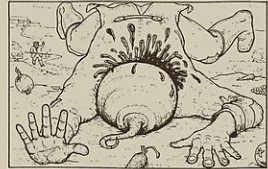

Come gather 'round, lads and lasses, and listen while ye can,  
To the story of a poor boy, in ...  
**Ye Ballad of Snatching Sam**

Now Sam was poor and desperate, and hunger did he feel.  
So he crept to ye squire's kitchen, for to steal himself a meal...

But Sam was most unlucky: as he made off with his loot -  
For ye squire's guard did spot him, and set off in pursuit...

And as Sam tried to leg it, he slipped and dropped his veg.  
And a soft and squishy turnip upon his head did wedge...

The guard drew nigh, and he did cry "O, man with turnip-head!  
Hav'ye you seen Sam, that thieving rogue?" "He went that way," Sam said!

The guard was fooled, which gave young Sam an idea both silly and wise.  
"This turnip has saved my bacon," he thought, "I'll use it as a disguise!"

Now Sam robs from the rich and gives to the poor, for he's a highway man.  
And nobody knows that Dick Turnip is really Snatching Sam!
